THE SPIRITUAL TASKS OF THE HOMEMAKER

Temple Lodge Publishing. Paperback. Book Condition: new. BRAND NEW, The Spiritual Tasks of the Homemaker, Manfred Schmidt-Brabant, Carol Brousseau, What is to become of the family? What is to become of the home, which has been the foundation of society for centuries? With the birth of human individuality, our previous assumptions -- based on old cultural traditions -- increasingly need revising. All tasks and roles need to be redefined and reinterpreted. This little book is the result of a conference, led by the author, that considered how modern homemakers are to find the strength and insight to deal with their responsibilities.Schmidt-Brabant takes the point of view that the old understanding of the homemaker's role needs to be enlivened with spiritual knowledge. We can discover, for example, how to work with the non-physical aspects of the household -- its etheric and astral natures -- and with different spiritual beings connected to the home. He offers much in the way of advice and ideas, providing help for those who find it in their destiny to develop their career as a carer for home and family.
