Battle Story: Waterloo 1815

By Gregory Fremont-Barnes

The History Press Ltd. Hardback. Book Condition: new. BRAND NEW, Battle Story: Waterloo 1815, Gregory Fremont-Barnes, The Battle of Waterloo is one of the most important moments in military history. As the might of the French Empire under the leadership of the Emperor Napoleon faced the Coalition army under Duke of Wellington and Gerhard von Blucher for one last time. The battle saw the culmination of a long campaign to destroy Napoleon's forces and halt the growth of the French Empire. Both sides fought bitterly and Wellington later remarked that 'it was the nearest-run thing you ever saw in your life'. Both armies lost over 20,000 men on the battlefield that day, but it was the coalition that emerged victorious in the end. Wellington's army counter-attacked and threw the French troops into disarray as the fled from the field. The coalition forces entered France and restored Louis XVIII to the throne and Napoleon was exiled to the island of Saint Helena, where he later died. Waterloo was a resounding victory for the British Army and changed the course of European history. This Battle Story tells you everything you need to know about this critical battle.

Reviews

This publication is great. It really is packed with knowledge and wisdom Your daily life period will probably be transform when you complete reading this article book.

-- ***Wilford Metz***

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.
