Regarding our second recommendation for annual reporting to Congress on an integrated governmentwide food security strategy, USAID suggested that, rather than the International Food Assistance Report ( IFAR ), a more appropriate report, such as the annual progress report on IEHA ( which is not congressionally required ), be used to report progress on the implementation of our first recommendation. S. efforts to address global food insecurity. Report issuance is planned for February 2010. At that time, we plan to report on ( 1 ) the nature and scope of U. S. food security programs and activities and ( 2 )...
