Zen Publications, Mumbai, 2013. Soft cover. Book Condition: New. 23 cms. 152pp. This contemporary Guru Pournima tribute is a collection of favorite commentaries on the Guru-disciple relationship by Ramesh S. Balsekar conversations, letters and poems, each a profound expression of gratitude shared between Guru and disciple in this most divine and mysterious of all relationships. Guru Pournima is a celebration honoring the Guru on the auspicious full moon in July-August in the Indian month of Ashada, dating back to the ancient Indian sage Vyasa, who was born on this day. Tradition has it that the disciples of Vyasa asked him for a way to thank him and honor him for all he had given; he suggested that they dedicate the fullest full moon of the year as the Gurus moon, hence Guru Pournima. This book is an offering of thankfulness to Ramesh for his modern, eloquent and simple Teachings of Advaita, non-duality. And, it is also yet another gift from Ramesh. His utterly clear Teachings, written and spoken, have touched thousands of seekers from around the world over the past 20 years. This book reflects the experience and outpouring of gratitude of so many seekers who have met and learned from Ramesh through books, letters and satsang. Each format is its own vehicle, and each equally masterful and effective in conveying Rameshs timeless message, bringing relief from the suffering of the burden of shame and guilt, hatred and malice, jealousy and envy, which obstructs the peace that is right before us in ordinary daily living.
