Animals.

By David Salariya

Salariya Book Company Ltd. Board book. Book Condition: new. BRAND NEW, Animals., David Salariya, From the zebra's stripes to a big cat made of animal silhouettes, this title features bold black and white images of animals which help to relax and calm your child. From birth, babies have problems changing their focus to near and far objects, and it's this limitation in babies' vision which makes simple bold patterns with high-contrast boundaries like these more visible. Babies love books. Right from the start, they love to listen to voices and look at pictures. Babies are born with the need to communicate. Research shows that they begin to take an interest in voices and faces as soon as they are born.
