Brand New Book ***** Print on Demand *****.Excerpt from Epistle of Barnabas: From the Sinaitic Manuscript of the Bible, With a Translation The Epistle of Barnabas seems to claim notice in any Life of the Apostle Paul: first, because the two apostles had at one time lived in close friendship, and it in part explains why at a later time Paul s feelings towards Barnabas were changed; and secondly, because it offers the earliest example of the Gnosticism which was creeping into the Christian Churches, very much to the trouble of Paul. But when I wished to mention this Epistle in my work on The Journeys and Epistles of the Apostle Paul, I was met with the difficulty of not knowing of any English translation that I thought satisfactory. Hence this publication. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
