Thanks to her dads obsessive entrepreneurial streak, she finds herself fleeing the city under cover of darkness in search of a new hometown. Her arrival in rural Tichburg is especially noteworthy because her father has staked their future on a decrepit dump truck fill with unmatched running shoes that he plans to sell at Tichurgs Harvest Fair. Luckily one of their first customers is Frogger, an easy-going country kid who convinces his skeptical new friend that there really can be life in the country -- if she can adapt to a different lifestyle. While her father busies himself with new ventures, Bug settles in to rural life with an overactive curiousity about everyone and everything in town. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
