He suffers from bouts of depression, he s a high school social outcast, and he doesn t understand why he s not attracted to girls. So when a series of misunderstandings label him a troublemaker, he s delighted to have Jesse Gaston and Jesse s gang befriend him. Nick wants to explore his attraction to Bobby Warren, but Jesse promises to give him a new image and soon transforms the shy loser into an anti-establishment student hero. Thanks to his new reputation, Nick finds himself besieged by would-be girlfriends and expectations that he live up to his public image. As Jesse s PR campaign becomes more and more outrageous, Nick s road quickly becomes littered with ridiculous misadventures and unexpected psychedelic explorations. Meanwhile he struggles to understand his emerging romance with Bobby while dealing with the Vietnam War s continuing impact on his family and the dangerous goings-on at school. Nick s freshman year is a remarkable journey of struggle with his unwanted reputation and his deepening passion for Bobby. Is a world still reeling from the sexual revolution, Acid Rock, and the illicit pleasures of underage drinking and pot smoking ready to accept two boys in love? Will Nick and Bobby s love survive or will the world s prejudices drive them apart?.
