Science and Spirituality: : No Conflict at All (Paperback)

By Jesuis Laplume

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.We have been taught, by most of society, that science has proven that there can be no God. That is nonsense this is just a belief, even a Dogma of science, but it is not possible to use science to discuss the presence of a God. That sort of thing was assumed out when Traditional Science was born almost four centuries ago, and for good reason. There was way too much to do in the study of mass and energy besides no one knew how to measure a thought, an emotion, a belief, etc., way back then. Although we now know how to measure brain changes when we experience such things, we still do not know how to actually measure any of these pure information processes as such. If we are going to do something well, we must first establish a sound foundation. Listing all of our explicit (openly stated) assumptions and also finding out our implicit (implied, but not yet openly stated) assumptions is critical. Study of the history of science shows that this...
