WestBow Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Read God s Intangible Senses as a way to explore your own senses and learn how they really connect us all as family in the eyes of our Savior. Understand how the power of prayer can govern our outlook and can offer a different view of situations. Instead of living a disappointing life, why not expose your emotions and attempt to see we are all connected as one by Christ? Dominate your feelings and examine your own soul. It may be unfamiliar territory, though. Keep in mind and know that angels keep a close watch over us and give us support and aid. Observe that we are all of the same skin and invent a new perspective and grip on your relationships as you find out we are all the same in God s eyes. Brokenness can actually open many doors and create an explosion of senses. Let it be a blessing and let it change you for the good. Investigate what you can do for someone else to make them smile. We are all longing for acceptance and approval. Prayer and the presence of God on your team can immensely alter a perspective and color your world again. Overrule all of your negative senses, pray to our Lord, our God, and obtain an uplifting attitude that relays that everything is for the best.
